CAMP & HIKE SERIES

ABOUT US

Founded in 2007 and located in Taiwan as a joint venture of Japan and Taiwan, we have been a professional and international supplier in LED (light emitting diode) component and application products.

Most of our staff are originally from famous LED producers and marketing network has been overspreading the worldwide especially in USA, Japan and countries in Europe.

Our faiths are to be responsibly quick and professional for our clients and customers. Our missions are to enhance our brand value, to create the strong and high quality image for the public, and to constantly innovate the product to meet all customers' need.

Make outdoor activities more comfortable and more enjoyable.

L99

LED Mini Lantern

Three light modes available: Warm White, Daylight White, and Soft White.

The top cover can also be used as a flashlight.

Battery life: 7 to 25 hours
(depending on actual usage conditions).

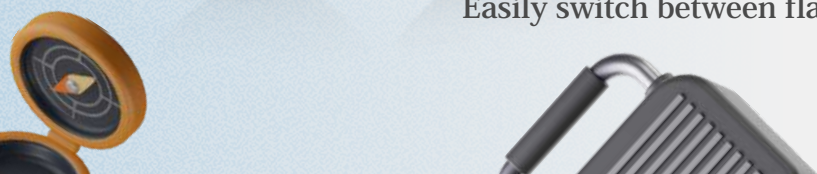

A design that combines
lightness and practicality.

Supports Type-C charging and solar charging.

Easily switch between flashlight and lantern modes according to the scene.

HC2 A must-have for solo camping!

A wide variety of products available!
Bringing you special moments.
